Integrovaný colný sadzobník 2003

Referent: Ing. Štrosová, tel.: 02/59 58 34 79

Číslo: 1264/2003-76

Ministerstvo financií Slovenskej republiky v spolupráci s Colným riaditeľstvom Slovenskej republiky každoročne od roku 2000 publikuje vo Finančnom spravodajcovi Ministerstva financií Slovenskej republiky integrovanú tarifu (integrovaný colný sadzobník). Ide o súbor informácií zo všeobecne záväzných právnych predpisov, ktoré upravujú dovoz tovaru do Slovenskej republiky a vývoz tovaru zo Slovenskej republiky. V tomto čísle Finančného spravodajcu sa vydáva v aktuálnom znení na rok 2003.

Integrovaný colný sadzobník 2003 však nenahrádza platné právne normy. Nie je možné ho uprednostniť pred jednotlivými zákonmi, vyhláškami, nariadeniami vlády, medzinárodnými dohodami a dohovormi, ani inými všeobecne záväznými právnymi predpismi.

V Integrovanom colnom sadzobníku 2003 sú normy účelne zosumarizované a priradené k jednotlivým druhom tovaru. Na označenie tovaru Integrovaný colný sadzobník 2003 používa kombinovanú nomenklatúru Európskej únie, ktorá je prevzatá tiež v colnom sadzobníku Slovenskej republiky (nariadenie vlády Slovenskej republiky

č. 728/2002 Z. z., ktorým sa vydáva colný sadzobník). Tovar je rozdelený do 21 tried a 97 kapitol (01 až 97). Každá kapitola sa ďalej člení na štvormiestne položky a šesťmiestne podpoložky harmonizovaného systému a osemmiestne podpoložky kombinovanej nomenklatúry. Ak vplýva zo súvisiacich právnych predpisov potreba podrobnejšieho členenia určitých podpoložiek, rozširuje sa toto označenie o ďalšie dve miesta národného členenia.

Integrovaný colný sadzobník 2003 je komplexným prehľadom informácií o všeobecných, zmluvných a preferenčných colných sadzbách, colných kvótach a sadzbách daní, ktoré sa vymeriavajú pri dovoze tovaru.

Ministerstvo financií Slovenskej republiky ho vydáva ako užívateľskú pomôcku pre potreby deklarantov, pracovníkov obchodných a hospodárskych komôr, zastupiteľstiev, špeditérskych firiem, štátnych, obecných, finančných a ostatných úradov, právnických i fyzických osôb s cieľom prispieť k ľahšiemu colnému konaniu a splneniu formalít, ktoré sú stanovené na dovoz a vývoz tovaru.

generálna riaditeľka sekcie daňovej a colnej
